SOUND ASSOCIATES, INC.

Dear Valued Customer,

Thank you for choosing Sound Associates, Inc. We are dedicated to providing you with the highest quality products and take pride in delivering outstanding customer service to ensure you are completely satisfied.

We independently certify each of our products to the highest quality standards and back them with a limited 1 – 3-year warranty. We are available to answer any questions you might have during design, installation, or in the operation of our products.

Here's how to reach us:

+1-888-772-7686 North America
+1-212-757-5679
newyork@soundassociates.com

Sales Policy:

Products are sold via authorized dealerships; however, Sound Associates reserves the right to sell its products to the end user if no sales representation exists in an area.

Payment Terms:

Customers must pre-pay all opening orders. For subsequent order, terms of payment are net 30 days to customers who have received prior credit approval. Any account more than 60 days past due is automatically placed on credit hold. Overdue accounts are charged 1.5% interest per month, 18% interest per annum from the due date of the invoice. Sound Associates reserves the right to place accounts on prepayment if payment is habitually past due.

Method of Payment:

Sound Associates accepts the following: company check, United States Postal money order, wire transfer/ACH or credit card (Visa, Mastercard or American Express).

Shipping:

Sound Associates will ship all orders as soon as possible after receipt of order or will notify its client of an approximate delivery date. All orders are FOB – Sound Associates New York, New York. All orders are shipped via ground carrier, unless otherwise specified at the time the order was placed. Express shipping is available upon request. Please verify product availability and shipping schedules with the Sound Associates sales representative when ordering.

At the customer's request Sound Associates can drop-ship to locations within the continental U.S.

If any shipment is damaged, please contact the shipping carrier directly for claim instructions. Sound Associates will not be responsible for damage that occurs in transit.

Design Specifications:

Sound Associates has a trained staff of field engineers and technicians that can assist in the design of any assistive system. Please feel free to contact our office at 212-757-5679 or newyork@soundassociates.com if any questions arise.

Repair Authorizations:

When returning a warranty or non-warranty repair please contact our sales department to receive a Repair Authorization (RA) number. When returning a warranty repair please enclose a copy of the bill of sale showing the purchase date and a note outlining the apparent problem. All repairs must be shipped freight prepaid. No freight collection shipment will be accepted.

Returns for Credit:

Returns for credit will be accepted if returned within 30 days from the purchase date. All returns must be factory authorized, with a Return Merchandise Authorization number appearing on the label. Returned merchandise is subject to a 15% restocking fee plus any unpaid freight. Merchandise must be returned in original packaging with relevant documentation (i.e., operation manual, etc.) Additional charges may be imposed against credits if equipment is missing or damaged. No freight-collect shipments will be accepted. The customer is responsible for any damage caused by inadequate packing.
